

Explanation of Important Matters Concerning Provided Services

This document has been created to explain services in accordance with the stipulations of Article 26 (Consumer Protection Rules) of the Telecommunications Business Act.

Important matters related to contract contents are explained herein. Please be sure to read it carefully before applying.

1. Contents of the Provided Service (Telecommunications Services)

Item	Details
Name	FLET'S Hikari Next
Type	Fiber-optic connection line (FTTH access service)
Approximate maximum communication speed	Maximum 1Gbps (down/up). * Differs according to the type of fiber-optic line you selected when applying to NTT East/NTT West (hereinafter, "NTT").
Communication quality	The approximate maximum communication speeds listed are the maximum according to technical standards. It is possible for connection speeds to decrease significantly due to your communication environment, network congestion, etc.
Locations where services are available	—
Restrictions related to emergency notifications	—
Services to filter content harmful to young people	—
Other restrictions on use	To ensure communication quality and fair allocation of the network, some customers who send or receive a large amount of data during a set period of time may have limits placed on communication speed. To ensure the security of communication, Asahi Net may regulate communication ports for the customer's IP address.

2. Usage charges

(1) Initial charges

There is no initial charge related to this contract.

(2) Monthly charges

Type of plan	Monthly charges

FLET'S Hikari Next Mansion Course	700 yen

※The first line activation month is free of charge.

(3) Call charges

No explanation of this item is available.

(4) Dialup connections

Dialup connections are available. The amount of time the service can be used for free and charges when that time has been exceeded differ according the selected plan.

3. Conditions, etc., for withdrawing applications/changing contracts

- Applications can be withdrawn by phone until the time the initial connection is made. A cancellation charge will not be billed in such cases. Once a connection has been made, the application cannot be withdrawn. In such cases, it is necessary to perform the stipulated procedures, and an additional charge for cancellation may be incurred.
- There are no conditions for changing contracts.

4. The Initial Contract cancellation System

An initial contract cancellation period applies to the telecommunications services stipulated in this contract.

- The contract can be canceled in writing within 8 days following reception of the notification of contract details. It will take effect at the time the documentation is submitted.
- In such cases, you (1) will not be billed for damages or for a penalty charge, etc. (2) However, you will be billed for telecommunications services, administrative fees, and installation fees for services received from the time the contract was concluded to the date on which the contract was canceled. The amount for (2) will be the amount indicated in this document plus the cost of any additional installation work you have requested. (3) Further, if Asahi Net has received any payment, etc., from you in relation to the contract, that amount will be returned to you (excluding amount billed in accordance with (2) above).
